### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

In light of the amendment of August 12, 2004 limiting the number of fluorine groups in the ultimate product to two the invention as recited I the amended claims is neither taught nor suggested by the prior art. Further the amendment also overcomes the rejection under 35 USC 112.

Accordingly, claims 1-4 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
